

# WOODBIDGE AVENUE IMPROVEMENTS AND STREETSCAPING PROJECT

(KIPLING AVENUE TO ISLINGTON AVENUE)

---

## PUBLIC INFORMATION CENTRE #2

SEPTEMBER 15, 2021

# Land Acknowledgment

We respectfully acknowledge that the City of Vaughan is situated in the Territory and Treaty 13 lands of the Mississaugas of the Credit First Nation. We also recognize the traditional territory of the Huron-Wendat and the Haudenosaunee. The City of Vaughan is currently home to many First Nations, Métis and Inuit people today. As representatives of the people of the City of Vaughan, we are grateful to have the opportunity to work and live in this territory.

# Welcome!

This Public Information Centre is a forum for you to:

- Review the proposed design drawings and learn more about the project;
- Ask questions / provide comments to the City and design team.

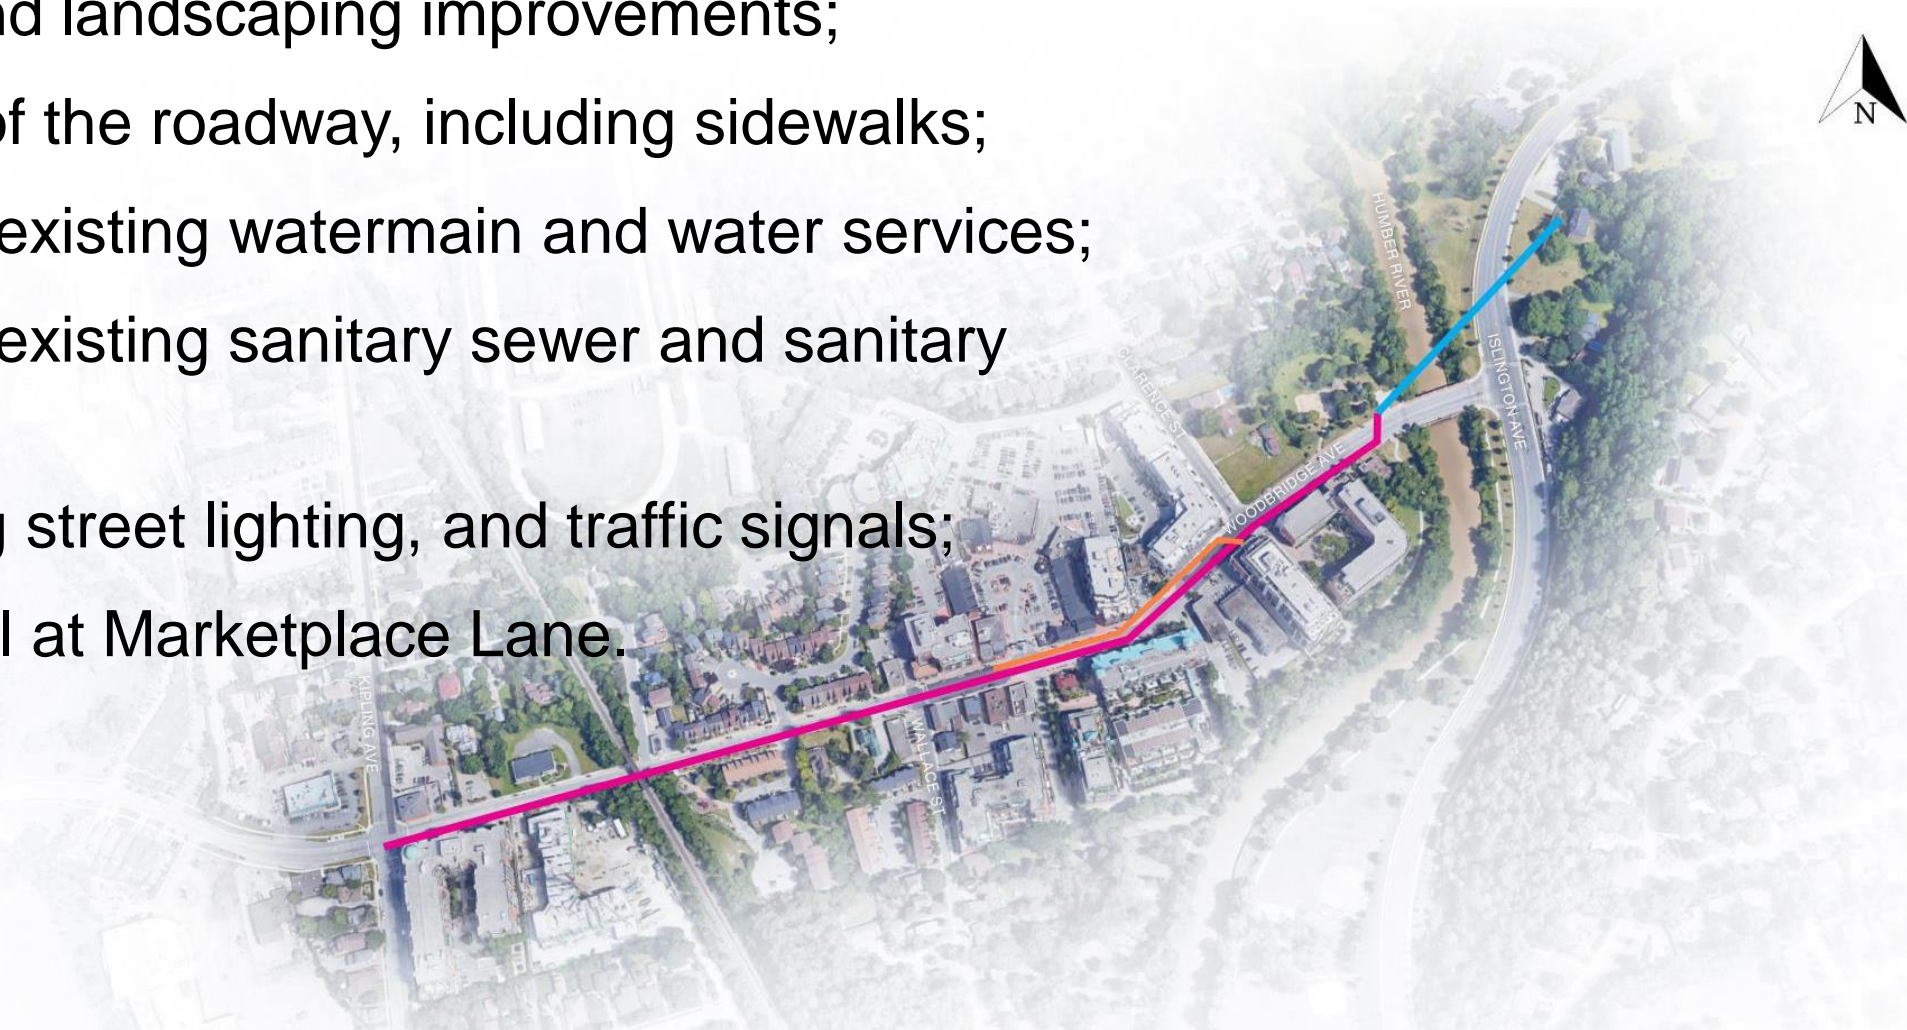

# Today's Agenda

1. Project Overview
2. Project Background
3. Design Process
4. Watermain and Sewer Construction
5. Road Reconstruction
6. Streetscape Concept
7. Streetscape Features Concept
8. Site Furnishings
9. Parking
10. Construction Details
11. Questions and Comments

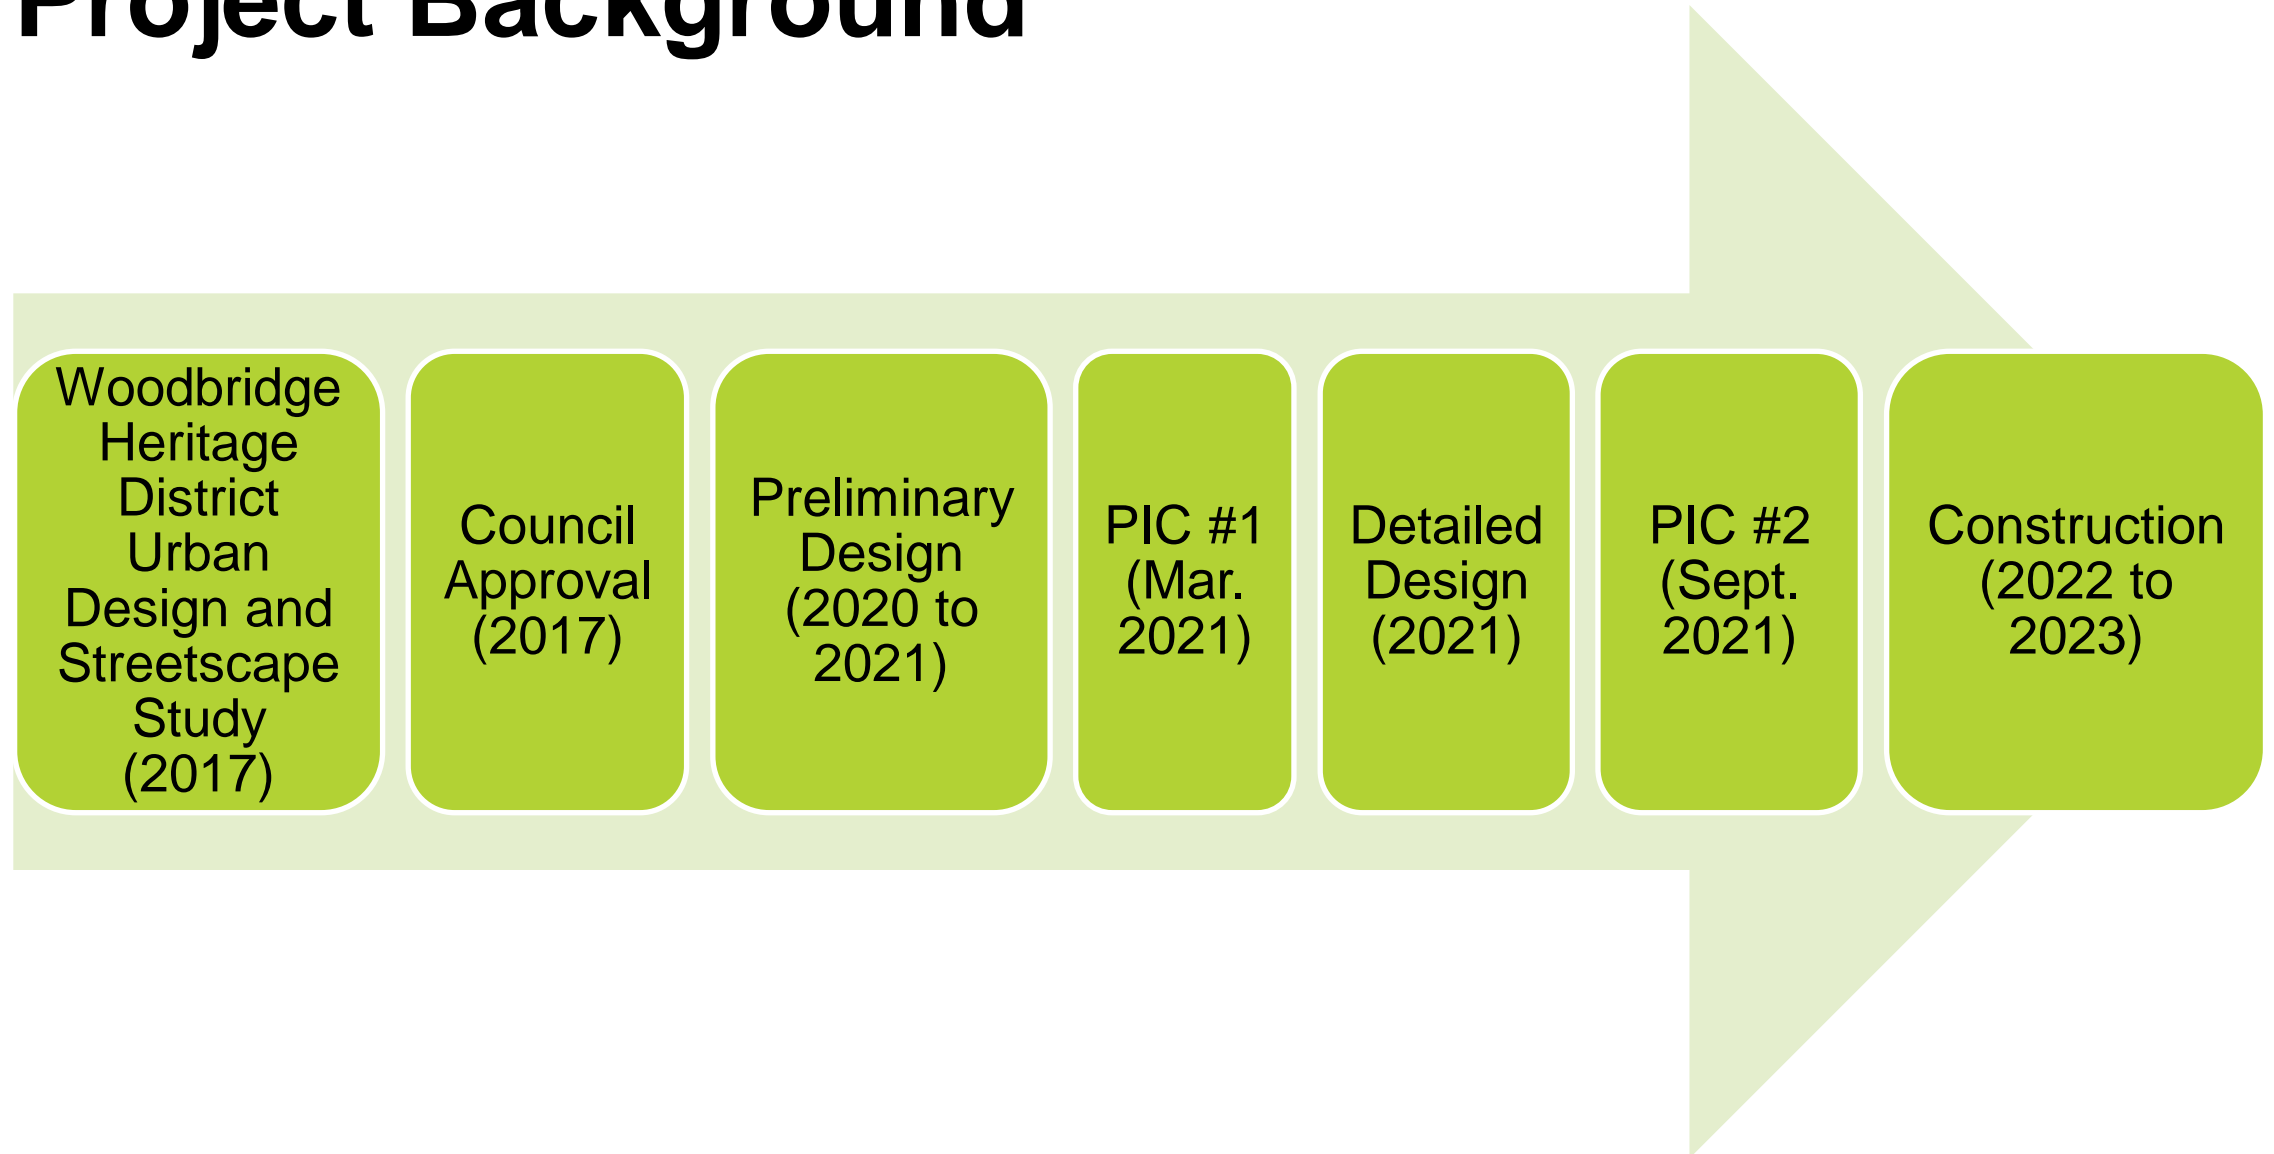

# Project Overview

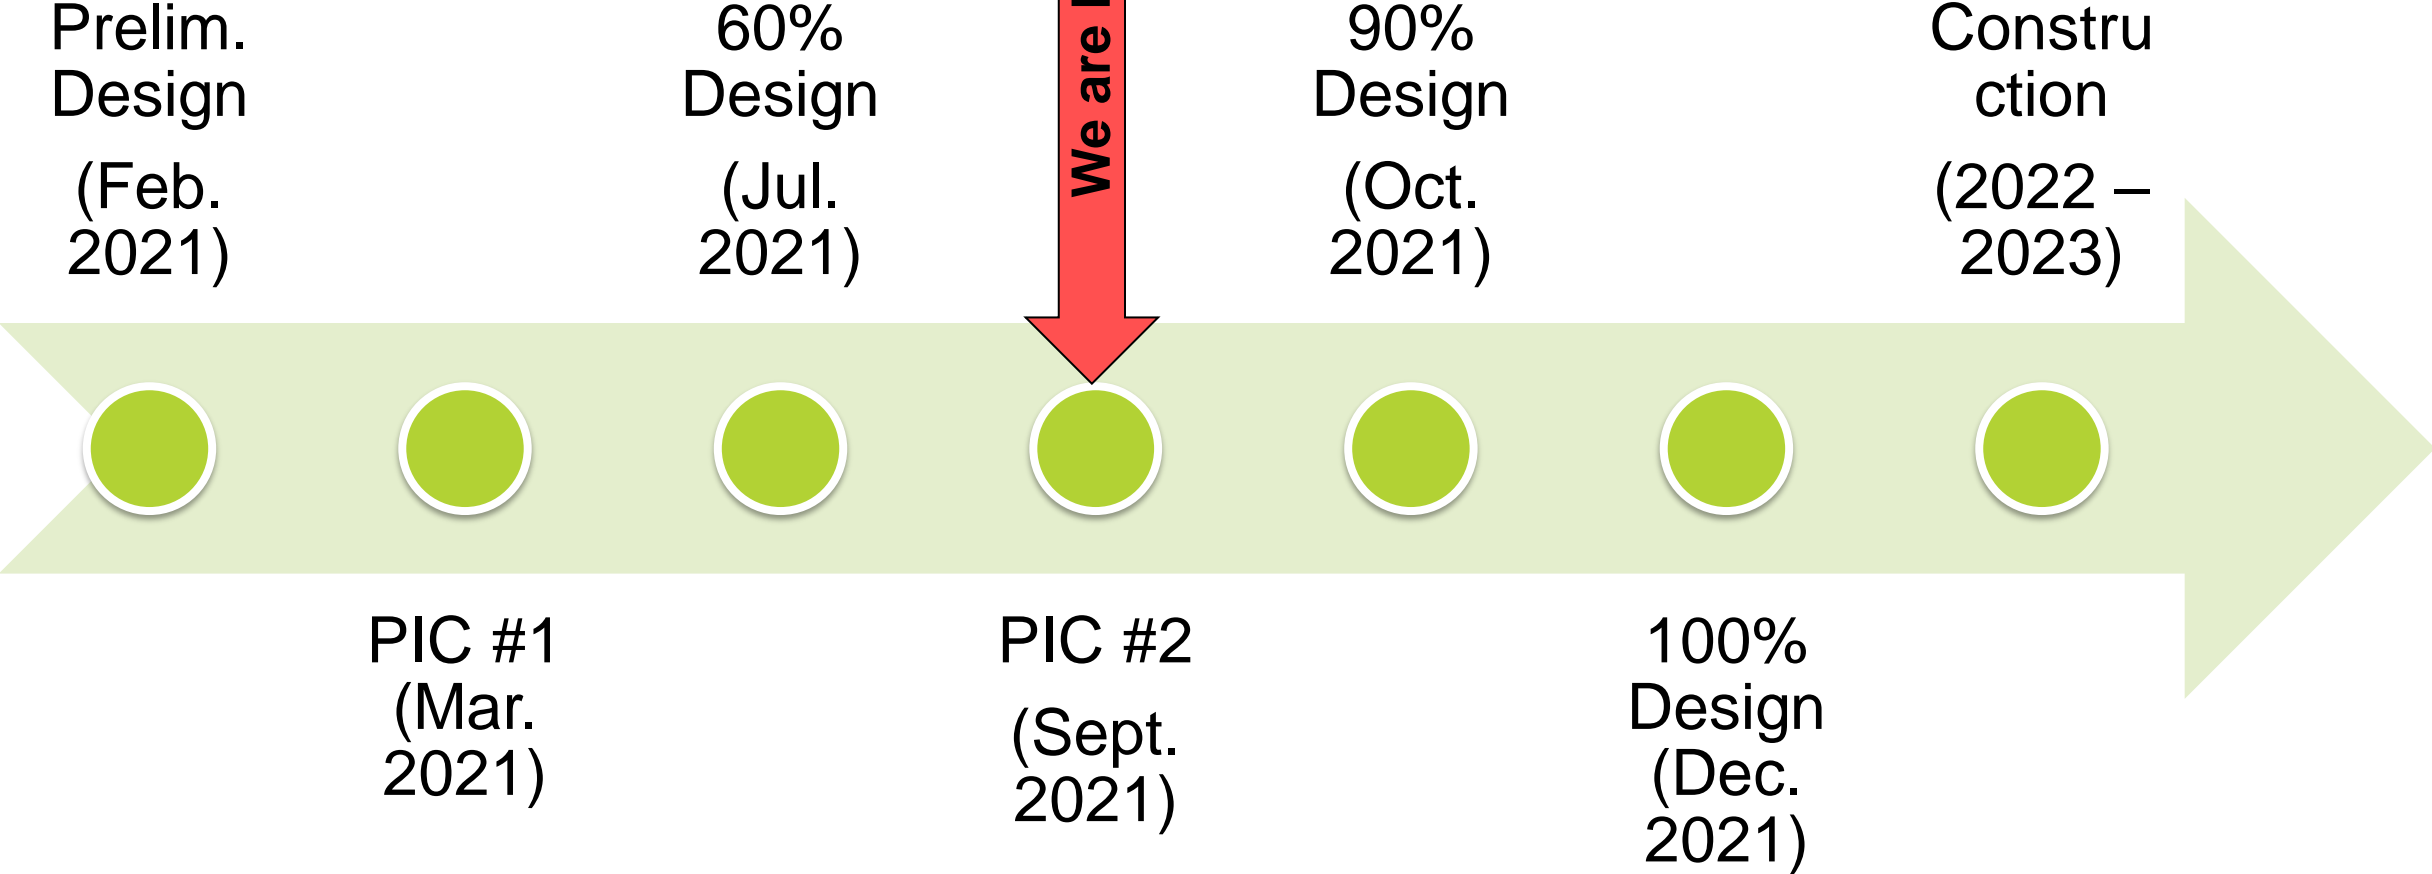

- Streetscaping and landscaping improvements;
- Reconstruction of the roadway, including sidewalks;
- Replacement of existing watermain and water services;
- Replacement of existing sanitary sewer and sanitary services;
- Upgrade existing street lighting, and traffic signals;
- New traffic signal at Marketplace Lane.

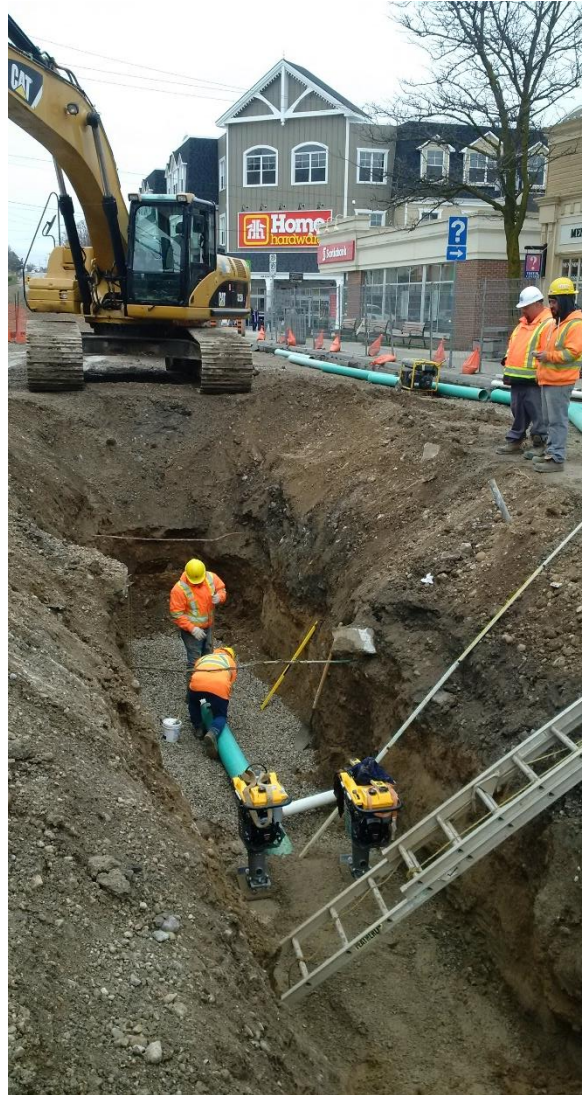

# Project Background

# Design Process

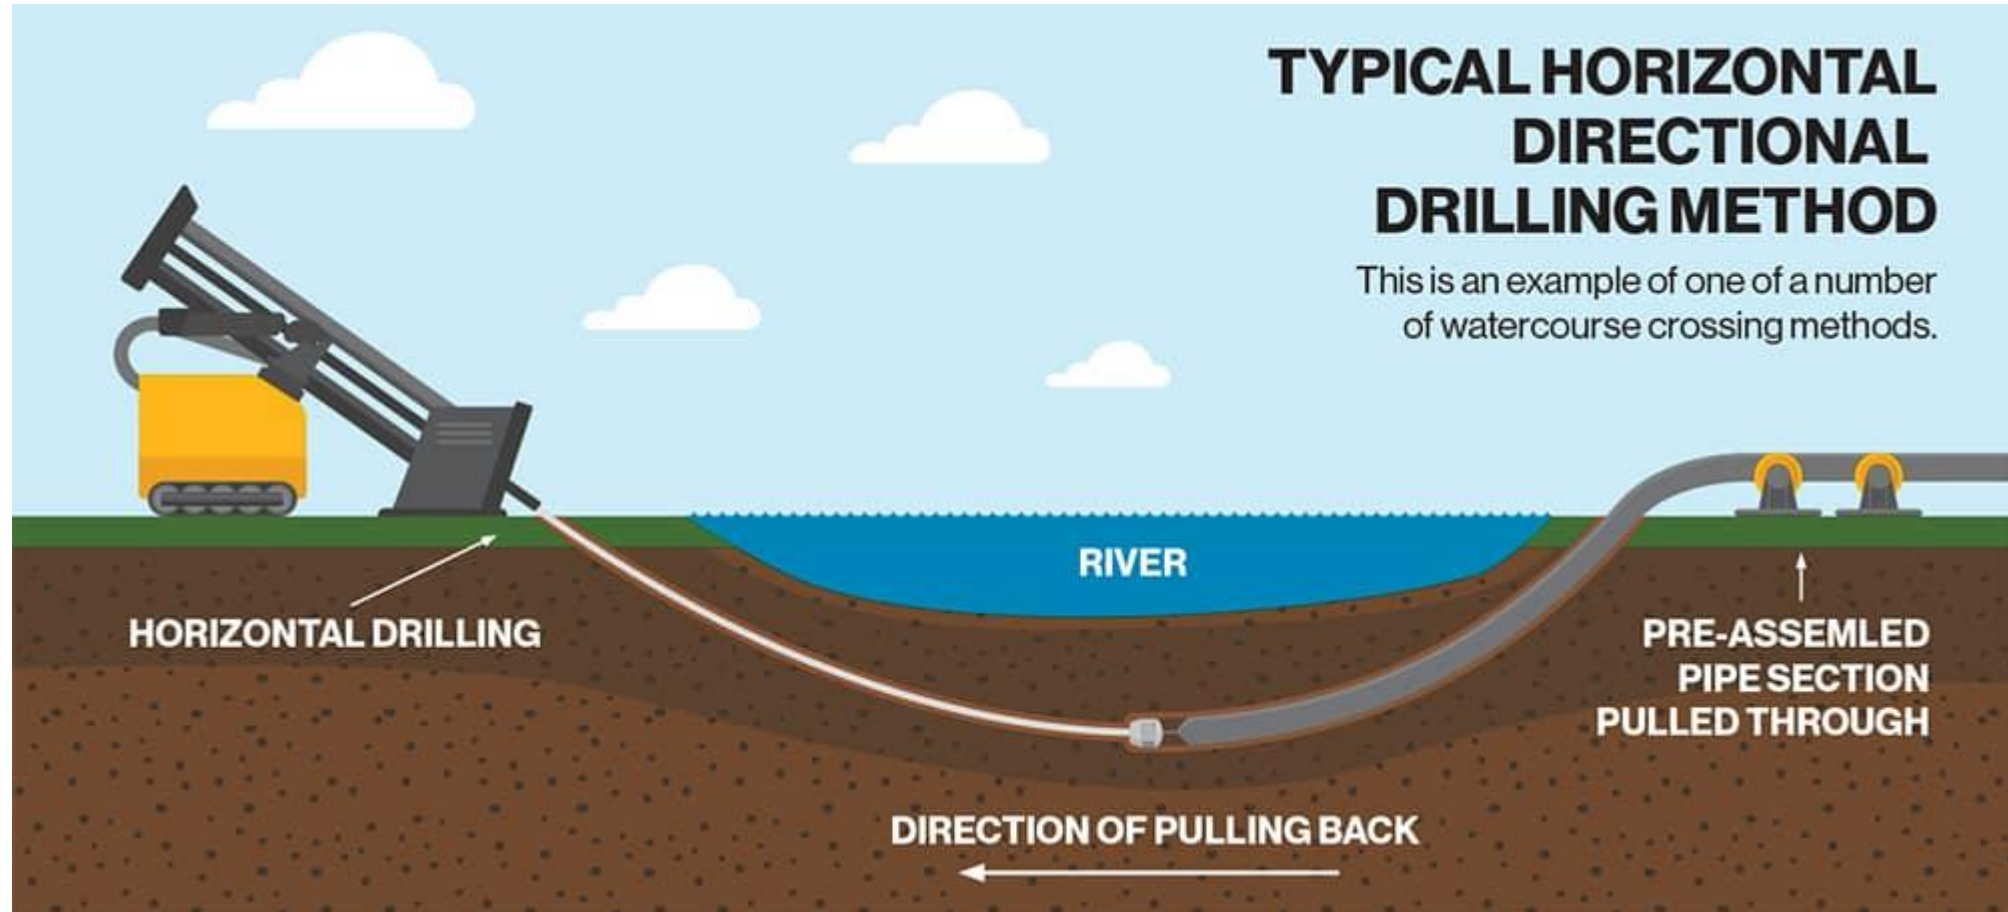

# Watermain and Sanitary Sewer Replacement

- Watermain replacement from Kipling Avenue to Islington Avenue, including water service replacement
- Tunneling the watermain under the Humber River
- Sanitary sewer replacement from Marketlane Shopping Centre to Clarence Street including sanitary service replacement

# Watermain Tunneling Under the Humber River

# Road Reconstruction

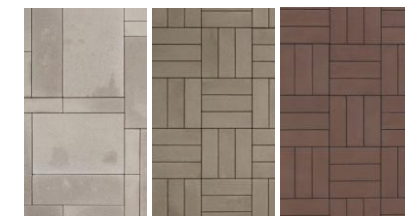

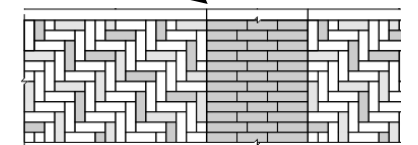

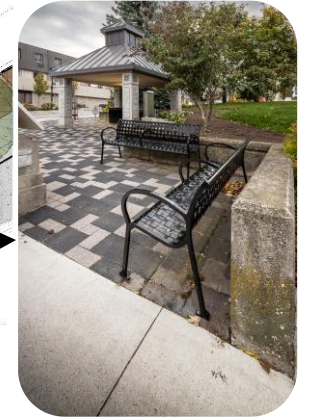

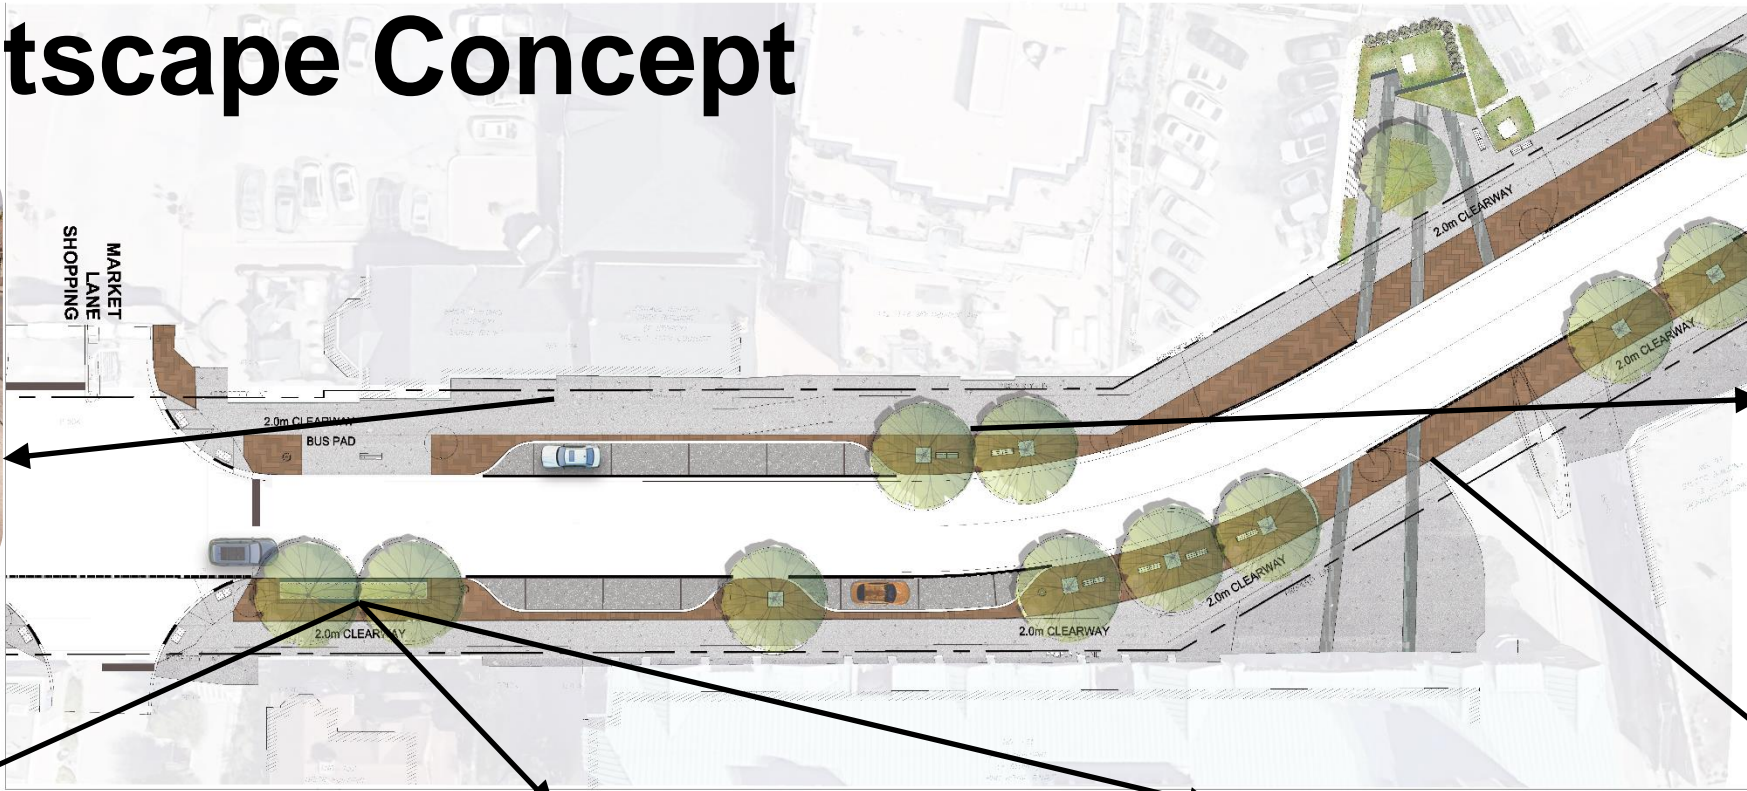

- Full road reconstruction
  - Replacement of the granular road base, asphalt pavement, curbs and gutters, and sidewalks. New parking bays.
- Street light replacement
- Traffic signal upgrades
- Streetscaping improvements
- Street tree planting

# Cross section

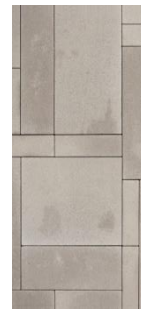

# Streetscape Concept

# Streetscape Features Concept

# Streetscape Features Concept

\*Pattern to confirmed

# Streetscape Features Concept

\*Signage text to be confirmed

# Site Furnishings

- Pendant lighting heads;
- Benches;
- Waste receptacles;
- Impressed coloured crosswalks;
- Bicycle storage facilities.

# Parking

- Kipling Avenue to Clarence Street
  - The total defined parking spaces will be 34 spaces (including the accessible spaces). This represents a reduction of 8 parking spaces.
  - This includes 4 new accessible parking spaces that will be added to the corridor.
  - Parking will change from on street to defined lay-by parking areas to accommodate the updated pedestrian realm and site furnishings.

# Parking

- Clarence Street to Islington Avenue
  - The total defined parking spaces will be 23 spaces (including the accessible spaces). This represents a reduction of 3 parking spaces.
  - This includes 2 new accessible parking spaces that will be added to the corridor.
  - Parking will remain as on street, off peak parking.

# Construction Details

## *Anticipated Schedule*

- Anticipated construction start in 2022

## *Water and Sewer Service Shut Offs*

- Disruptions to residential services will be provided 24 hours notice
- Disruptions to commercial services will be provided 24 to 48 hours notice

# Construction Details

## *Pedestrian Access*

- Pedestrian access will be maintained throughout construction.
- The Contractor will work with residents and store owners to schedule these disturbances during off peak times and make alternate arrangements for access where possible.

# Construction Details

## *Traffic Maintenance*

- During the reconstruction, the road will be closed to through traffic on a block-by-block basis
- Local traffic (including deliveries) and access to all properties within the construction area will be maintained for as long as possible
- Prior to any road closure, signs will be posted on the approaching streets advising motorists of the date and the duration of the closure. Signage will also be posted indicating that businesses are still open during construction

# Questions and Comments

Thank you for your patience as these important infrastructure upgrades are completed. For more information about this project, please visit [vaughan.ca/WoodbridgeAve](https://vaughan.ca/WoodbridgeAve) or contact:
